Take control of your Children's Education.

Learn at your own pace.
Make a Solid investment in their future!

We all know that a good education is a vital tool in ensuring a brighter future. The more prepared you are, the greater the successes that follow.

We at TeacherTom.com would like to take this opportunity to introduce ourselves as one of the pioneers in the online teaching industry.

TeacherTom.com makes learning at home, or the office, easy and affordable, giving you a selection of quality courses to choose from.

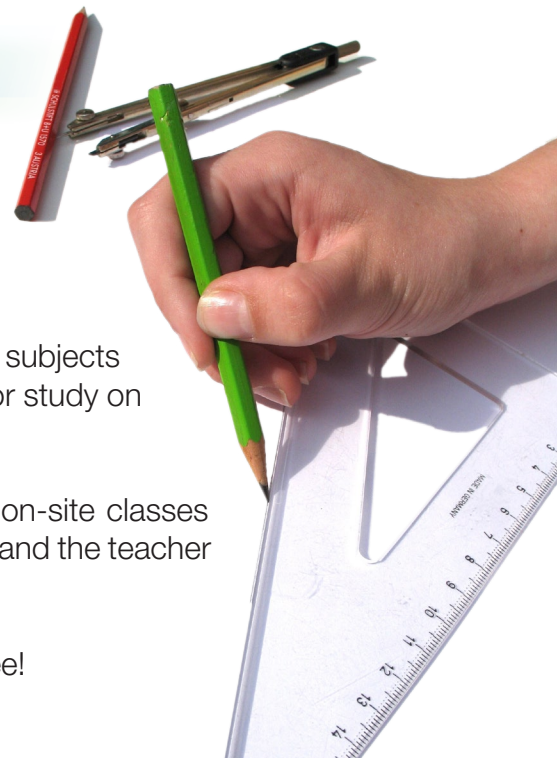

TeacherTom.com learning systems have helped to better educate and improve the lives of thousands of satisfied students all over the world for many years.

What are the benefits of online education?

TeacherTom.com is at the forefront of online learning. Our popular subjects - Maths, Discovering English and English Grammar – are offered for study on a monthly subscription basis.

Instead of paying an hourly rate with a tutor or having to attend on-site classes structured around a timetable, TeacherTom.com brings the school and the teacher directly to you!

We offer the convenience of online learning for one low monthly fee!

Other benefits include:

- Easy to follow materials – Having high-quality and diverse learning aides significantly benefit your ability to take on new knowledge and skills. As well as your motivation to learn. TeacherTom.com provides a wide variety of lessons within each subject to support your study.
- No time limit – Students enjoy the freedom of working at their own pace and are afforded the opportunity to study and learn without the added anxiety of meeting deadlines. They can revisit and revise by watching lessons over again.
- 14 day money back guarantee – TeacherTom.com offers a 14 day unconditional money back guarantee. If you are not entirely satisfied with the product or service, simply contact TeacherTom.com within the first 14 days and we will refund your subscription in full.
- No classroom, no travel, no parking, **NO HASSLES!** Study wherever you choose, be it in the comfort of your own home, your local library, a friend's place or at work. You can study at night, on weekends, throughout the school holidays, even on your lunchbreak.
- Simply affordable – With none of the overheads associated with the traditional classroom, TeacherTom.com delivers quality learning at an affordable and highly competitive price with no hidden fees and charges.
- Five Family Members – each subscription is for up to **FIVE** family members, not just one!
- Australian Residents can now claim **50% BACK ON TAX**. As of the 1st July 2008, the Australian Government launched a tax incentive scheme. Click here for more info. What better reason to try out TeacherTom.com today, and invest in your child's future?
