## Want to Learn English as a Second Language? You can with our 'Discovering English' course.

**Learn at your own pace the easy way.**

We all know that learning english properly is vital to having a better understanding of it. The more prepared you are, the greater the successes that follow, and the easier it will be.

We at TeacherTom.com would like to take this opportunity to introduce ourselves as one of the pioneers in the online teaching industry.

TeacherTom.com makes learning at home, or the office, easy and affordable, giving you the highest quality courses to choose from.

TeacherTom.com learning systems have helped to better educate and improve the lives of thousands of satisfied students all over the world for many years.

### What are the benefits of online education?

TeacherTom.com is at the forefront of online learning. One of our most popular subjects is Discovering English – a programme designed to teach you how to speak English like a native. It is offered for study on a monthly subscription basis.

Instead of paying an hourly rate with a tutor or having to attend on-site classes structured around a timetable, TeacherTom.com brings the school and the teacher directly to you no matter where in the world you are.

We offer the convenience of online learning for one low monthly fee!
